U.S. MARINES IN IRAQ. REAL COMBAT - HEAVY CLASHES |  
WAR IN IRAQ - YouTube

The Iraq war started on March 20th, 2003 and ended on December 18th, 2011.

After the Persian Gulf War, Iraq agreed for inspectors from the United Nations to come to Iraq. By the early 2000s, Iraq would not let U.N. inspectors into their country. After 9/11, the U.S. was frustrated and gave up trying to inspect. Instead, they went to war.
